FROM

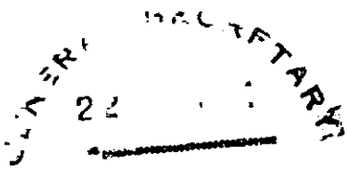
Public Prosecutor,
Bangalore Division, Bangalore.



To

The General Secretary to the Government of H.H. the Maharaja of Mysore, Bangalore.

SIR,

I have the honour to state that a reference was made to the Superintendent, Government Printing, Bangalore, requesting a supply of certain forms, specimens of which are herewith enclosed. The Superintendent in his letter No.F.3100 dated the 2nd March 1934 has replied that sanction of Government is necessary for printing and supplying the said forms. As there are a large number of execution cases in which verified statements and memos have to be filed and as receipts for various moneys received have to be issued, the forms are necessary. As appearances have to be entered in a number of criminal appeals memo's of appearance have to be filed in each of them and it takes a lot of time to write out these forms in each individual case. As there is only one clerk in this office who has to attend to all the work, I request that sanction may be obtained for printing and supplying these forms to this office. Sanction may also kindly be accorded for the supply to this office of Registers for keeping a record of the civil and criminal cases pending in this office, Secimen forms of which are enclosed herewith.
